Together, we can address poverty in the Philippines, one student at a time.

By becoming a Project Hope Sponsor, you make it possible for Philippines Humanitarian to increase its impact.

This year marks the tenth anniversary of our annual fundraising event. A celebration of the students in our programs and the people who support them, the funds we raise at Project Hope allow us to increase our efforts to help destitute children in the Philippines obtain an education and escape the crippling cycle of poverty.

The proceeds from Project Hope account for one quarter of our annual income and support our mission to help youth get the resources they need to attend elementary school through college. As a sponsor of our annual fundraising event, you will ensure that we have the funding we need to:

Increase the number of impoverished students in our Student Sponsorship Program

Increase the number of college scholarships we are able to offer

Provide daily meals and monthly grocery rations to hundreds of students living in areas we serve

Support our incredible partner organization in the Philippines, which implements our programs, identifies and assesses eligible students, and ensures that sponsorship and scholarship funds are properly distributed

Last year, Project Hope raised a record \$42,000, and almost half of that came from our Event Sponsors. This year, our goal is to raise \$50,000, which will allow us to have a greater impact in the impoverished regions we serve.
